

SUPPORT A HEALTHY CAMPUS

What we can do as a community with a shared commitment

HEALTH AND SAFETY

Creating and maintaining a healthy campus environment is essential and will require our community's support and participation. We understand that a healthy campus includes the mental and emotional well-being of our students and employees. We will practice patience as we help our students adjust. We ask for your cooperation and commitment to these guidelines, as together, we maintain the safest possible experience for students, faculty, and staff. Weekly CANVAS sessions, lower than average counselor-to-student ratios, and our caring faculty and staff allow us to support our students proactively.

Our Commitment

TEMPERATURE SCREENINGS

Screening kiosks supervised by school staff will be used at each entrance. Spacing of six feet or more will be required of those waiting for screening.

HAND WASHING

Conveniently located and regularly maintained hand washing and sanitizing stations will include posted reminders.

RESPIRATORY HYGIENE & ETIQUETTE

Educate and encourage staff and students on correct cough etiquette; employ mask usage as directed in [Executive Order 20-81](#).

FREQUENT SANITIZING

Frequent cleaning and using COVID-19 sanitization best practices will be employed.

COMPLIANCE OFFICER

A designated staff member will ensure all individuals are following the rules and protocols.

Your Commitment

SYMPTOMS SCREENINGS

Symptoms screenings should occur each morning before heading to campus. Anyone with symptoms should stay home.
(See page 8 for further guidance.)

PERSONS WITH SYMPTOMS

Any person with COVID-19 related symptoms or who test positive for the virus will be required to follow quarantine procedures.

RESPIRATORY HYGIENE & ETIQUETTE

Review and employ good respiratory hygiene and etiquette. Bring a washed face mask to school each day and wear as designated.

PRAY WITHOUT CEASING

Rejoice always, pray without ceasing, give thanks in all circumstances.
1 Thessalonians 5:16-18

CHECK-IN AND SUPPORT

Check-in with your child and friends to make sure they are managing the transition to new protocols well. Let us know if we can help.
